Sunday 16 May 2021

Admission to this event is **FREE** but you **MUST** register beforehand.
You can do so through **our Eventbrite page here**

*This event is part of the National Biodiversity Week 2021
organised by Irish Environmental Network*

Virtual Bat Box Building

This workshop was not on Zoom, as it was a hands-on, practical event, which was carried out in individual homes under COVID guidelines.

This event was part of the [National Biodiversity Week 2021](#) organised by [Irish Environmental Network](#).

ABOUT OUR SPEAKER

Donna Mullen:

Donna gave the original talk on bats to some tidy towns groups in Fingal, County Dublin.

Chair of Green Foundation Ireland, Donna is an environmentalist and works as an ecologist, drawing up nature trails and sustainability plans. Her work involves spending many happy hours surveying buildings for bats, and she helped draw up the guidelines on bat surveys for the Heritage Council (Traditional Farm Building Scheme). She is a founder member of both Bat Conservation Ireland and the Irish Environmental Network, and has also served on the board of the Irish Wildlife Trust.

ABOUT OUR WORKSHOP

Some tidy towns groups in Fingal had already attended a talk on bats and these people were supplied with bat box kits which they made up on Sunday 16 May. They made these in their homes.

Sites for the boxes had been chosen in Balbriggan and the boxes were put in place there on 24 May 2021.
