Bird and Bat Box Building

This workshop was a hands-on, practical event, which was carried out at Castle Lake, Bailieborough, County Cavan.

*This event was part of the [National Biodiversity Week 2023](#)
organised by [Irish Environmental Network](#).*

ABOUT OUR ORGANISER

Donna Mullen:

Chair of Green Foundation Ireland, Donna is a farmer, consultant ecologist, and director of Wildlife Surveys Ireland, with an award-winning farm, awards and placements which include the RDS Sustainable Enterprise Award, the EU Rural Inspiration Award, and the Ellison Award.

She works as an ecologist, drawing up nature trails and sustainability plans. Her work involves spending many happy hours surveying buildings for bats, and she helped draw up the guidelines on bat surveys for the Heritage Council (Traditional Farm Building Scheme). She is a founder member of both Bat Conservation Ireland and the Irish Environmental Network, and has also served on the board of the Irish Wildlife Trust.

ABOUT OUR WORKSHOP

Approximately 40 people took part in our bird and bat box building family day at Castle Lake in Bailieborough, County Cavan. It was a lovely multicultural experience with many of our participants being from Moldova.

There was much banging and hammering, and lots of excited faces, with our youngest ever helper being less than a year old.

It was a wonderful Sunday afternoon by the lake in the sunshine.

You can see [more photos on our website here](#).
